ENDORSEMENT

- [1] Moving defendants seek summary judgment in this slip and fall action brought under the *Occupier's Liability Act*. This matter was argued as a long motion today in person.
- [2] For reasons given orally on the record this day, the motion is dismissed.
- [3] It follows from the court's decision that this action will proceed to trial.
- [4] Counsel agreed on costs for motion to be awarded to the successful party. This was a lengthy motion which required multiple cross-examinations on affidavits.
- [5] Costs in the amount of \$36,000 are therefore ordered payable to the plaintiff by the moving defendants.
- [6] So ordered this day.
